For: Construction Kit :

**FURTHER STATUS INQUIRY REGARDING APPLICATION**

Honorable Director of Patents and Trademarks  
P.O. Box 1450  
Alexandria, VA 22313-1450

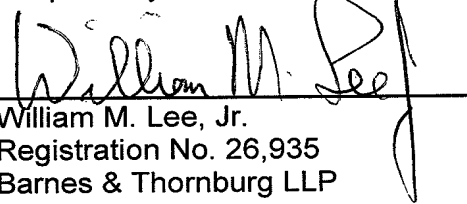

Dear Sir:

This application has been revived by the Patent and Trademark Office in view of a decision dated June 25, 2007, and a filing receipt was issued by the Patent and Trademark Office on July 13, 2007. However, the Patent and Trademark Office still identifies the application, in PAIR, as "abandoned," which is obviously in error. The Patent and Trademark Office has also failed to respond to a status inquiry of November 27, 2007 that the undersigned filed to see if the application can be moved along.

It is requested that the Patent and Trademark Office properly correct its records and handle the application, and advise the undersigned as to when a first action can be expected.

February 28, 2008

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William M. Lee, Jr.", is written over a horizontal line.
